

# Year 9

First we need to look at:

- ◆ Files on the school network -
- ◆ Good housekeeping
- ◆ Copying files into the correct place

# Year 9

Web page design

Planning your website before you begin is important. First we will look at examples of some common errors and examples of bad web pages. Please look through:

- ◆ [www.webpagesthatsuck.com](http://www.webpagesthatsuck.com)
- ◆ <http://www.useit.com/alertbox/9605.html>

# Examples of good web pages:

1. Please find (and make a note of) 3 examples of what you believe is good web page design
2. You will be asked to explain to the class why each page is well designed and easy to use.

# Examples of HTML

- ◆ What is HTML?
- ◆ <http://www.webopedia.com/TERM/H/HTML.html>
- ◆ Let us look at a  
Simple HTML example

# Year 9

- ◆ Next week you will begin to create your own web page.
- ◆ Homework is to design and plan a page to help you prepare for one element of your Key Stage 3 SAT test which looks like:
